Brian's Report

Welcome back! While we've been exceptionally busy getting the resort ready for you, we have also hired two new very competent managers to the team: Kirk Beltowski as Park Manager and David Wooster as Facilities Manager. Both share responsibility for building and running the BEST resort in the state. Kirk is from Brighton and is extremely personable, hardworking and a great leader who is already having huge impact on getting the team and resort ready for you. Likewise, David who is from Flint solves problems in his sleep, knows how a business is run, and has the team making great things happen. Honestly, it's been a cold winter, but it's not just melting around here. We're on fire. Welcome back. We missed you!

As soon as you drive through the gate, you'll notice all the progress we made over the winter. We completed a big project to improve campground drainage, because of the increased rainfall we've been seeing, which should help clear the rain out across some of the most impacted areas. We even rebuilt some sites up from scratch to improve the drainage. Yea, you'll still get wet when it rains but the infrastructure we have in place will drain it away more quickly. We also did some more site electrical improvements and add 8 new Wi-Fi towers. Security in the resort has never been better now that we've replaced both entrance and exit gate systems, converted to proximity cards only, and replaced the software behind it all. And yes, there are about 50 new campsites and the cottage area is almost complete. We hope you like and enjoy the improvements!

BRIAN C. CROUSE, PRESIDENT

J. Roberts Favorite Quotes June 15, 1920:

"Hope is a vigorous principle; it is furnished with light and heat to advise and execute; it sets the head and heart to work, and animates a man to do his utmost. And thus, by perpetually pushing and assurance, it puts a difficulty out of countenance and makes a seeming impossibility give way."
 - Jeremy Collier

J. Robert Crouse, the founder of Waldenwoods, was an avid reader and wanted us to share from his quote book. Enjoy!

Hartland Area Project

"Friendly Association for Community Service"

Help us...help others. Do you know a local outreach program or community program that needs help? We are always looking to reach out & help drive community service. Contact the activities department by calling 810-632-5889 or email activities@waldenwoods.com. Please join us at the Family Fitness Center at 3pm on the 1st Friday of every month in our planning meeting where we will develop our plans for the coming year. It is through this project and our "Friendly Association" through Waldenwoods that we hope to have a big positive impact on Michigan and our local community.
