**BRIAN'S
 REPORT**

It's so nice to be back to summer break with all our Waldenwoods families. This is the time when I really see us achieving our mission of improving our member's quality of life. Where else can you have so much so close to home! We've had lots of great feedback on the new sites (which turned out to be perfectly level despite the mirage), the cottage area is now open and all the cottages moved to this area, our second well is humming away providing backup capacity, our drainage throughout the campground is massively improved, our Wi-Fi is running at full throttle with bigger antennas (only just available) and much more 10GB fiber, our Member Portal has most of the kinks worked out now providing much better access to the information you need and easy check-in/check-out, our new gate system is operating flawlessly, and our staff is second to none this year!

Congratulations to Michael Harris winner of our 2021 Employee of the Year Award! Michael has been working in Activities since 2018 but last year he also took on some grounds responsibilities when we needed him and has been the key driver of staffing and planning the activities program into 2022.

Bring some friends over and sign them up for a tour! Our referral program pays you for letting us know who you want our next members to be.

Submit your referrals to sales@waldenwoods.com and they'll be your referral for the next 2 years.

BRIAN C. CROUSE, PRESIDENT

**J. ROBERTS
 Favorite Quotes
 AUGUST 3, 1922:**

"Some noble souls are ever dropping into the conviction that at last their pilgrimage after truth is ended. A creed that is anything more than a milestone is a blunder. We must get accustomed to the truth that the mind, with ever-widening experience, must ever change the horizon of belief."
 - E.P. Powell

J. Robert Crouse, the founder of Waldenwoods, was an avid reader and wanted us to share from his quote book.
Enjoy!

HARTLAND AREA PROJECT

"Friendly Association for Community Service"

Help us...help others. Do you know a local outreach program or community program that needs help? We are always looking to reach out & help drive community service. Let us know about other programs that we can all work as a team to help provide leadership in the areas of health & welfare (W), education & culture (C), economic development (D). Contact the activities department by calling 810-632-5889 or email activities@waldenwoods.com. Please join us at the Family Fitness Center at 3pm on the 1st Friday of every month in our planning meeting where we will develop our plans for the coming year. It is through this project and our "Friendly Association" through Waldenwoods that we hope to have a big positive impact on Michigan and our local community.
