BRIAN'S REPORT

It's been one of the best winters on record for Michigan. Constant cold temperatures well below freezing, great ice skating, lots of snow, winter campers, an amazing Waldenwoods Winter Festival – even cross country skiing is back!

So, how did we survive this winter, well, introductions are in order. We've got a new energy inspiring us this year to be our very best for you. It is with great pleasure and enthusiasm that I get to introduce our new Park Manager, Jake Wilson, and Activities Manager, Allie Johnston. Jake brings hands on experience, leadership and the drive to get things done. Allie, who was promoted from our Sales administration staff, brings extraordinary energy, organization and talent. The best thing about these guys, is you'll love them. Please make sure you reach out and congratulate them and get to know them. By the time you have read this, they will have made countless additional efforts to make this place awesome and to build relationships with you. What a great team!

Bring some friends over and sign them up for a tour! Our referral program pays you for letting us know who you want our next members to be. Submit your referrals to sales@waldenwoods.com and they'll be your referral for the next 2 years.

J. Roberts Favorite Quotes ... March. 30, 1922:

"Kind messages, that pass from land to land;
Kind letters, that betray the heart's deep history,
In which we feel the pressure of a hand –
One touch of fire – and all the rest is mystery!" – **Longfellow**

J. Robert Crouse, the founder of Waldenwoods, was an avid reader and wanted us to share from his quote book. Enjoy!
